MoU on renewable energy signed

By Our Special Correspondent

NEW DELHI, MARCH 24. A memorandum of understanding in the field of renewable energy was signed between the Solar Energy Centre of the Ministry of Non-Conventional Energy Sources (MNES) and the National Renewable Energy Laboratory of the U.S. Department of Energy here on Thursday.

The activities envisaged under the MoU include the strengthening of capacities for energy technology innovation and promotion of technologies for energy conservation and cleaner energy supply. The forms of cooperation include exchange of technical information and experience and joint testing of equipment.

The MOU was signed by the Secretary, MNES, Mr. N.N. Mookherjee, and the Under Secretary in the U.S. Department of Energy, Dr. Ernest J. Moniz.
